## PROFILE

I am a passionate undergraduate student in Computer Science Engineering, equipped with strong analytical, communication, and teamwork skills. I am eager to contribute my knowledge and seek growth opportunities, especially in cutting-edge technologies. My goal is to leverage my problem-solving abilities and technical expertise to innovate and create impactful solutions. With a deep interest in continuous learning and personal development, I thrive in dynamic environments where collaboration and creativity are key to success.

## CERTIFICATIONS

- Basics of Python by Infosys Springboard
- Python Foundation Certification by Infosys Springboard
